DESIGN IS WHAT WE DO, PASSION IS WHAT WE GIVE.

AW Interiors, a Leading Interior Design Company in Dubai, founded in 2016 by Ms Aleena Waqas, offers a wide range of interior design services for both residential and commercial properties. Our team of skilled and experienced designers are dedicated to creating beautiful and functional spaces that reflect each clients unique requirements.

From luxury villas, to multiple story developments, restaurants and retail show rooms, there is no challenge we don't take head on. We execute as per our visuals and we take pride in walking through each step of the process with our clients - until every small final detail is perfect.
